To all Exporters of Fresh Coconuts

EXPORT OF FRESH COCONUTS

After having a discussion with Hon. Minister of plantation Industries, regarding the current coconut production of the country, the Ministry of Plantation Industries has taken a decision to suspend exportation of fresh coconuts for a period of six months effective from 18th June 2017, as a temporary action. Accordingly, exportation of fresh coconuts will not be allowed from the above date.

However, considering the progress of coconut production of the country, this temporary suspension will be lifted at an appropriate time.
